### **M2North Electronic Communication**

Dear Valued Lonmin Platinum Vendor/Service Provider,

Lonmin has been utilizing the Purchase Order transmittal process via M2North from February 2010.

Participation in this process will become part of our Tender requirements as well as Lonmin's Standard Terms and Conditions for the Supply of Goods and/or Services.

If your Company has not yet subscribed, Lonmin would kindly request you to do so, in order to receive Purchase orders from Lonmin.

M2North's system allows you to Confirm or Reject Lonmin's Purchase Order as a whole or per line item.

- The Confirm option serves to notify Lonmin that the transaction is agreed upon and Lonmin does not have to source an alternative supplier for the product/service.
- The Reject option allows proposed changes to the Delivery date/s, Price queries and Specification clarifications.

More details can be viewed on M2North's website at [www.m2north.co.za](http://www.m2north.co.za)

#### **Registration entails:**

1. Contacting M2North ([www.m2north.co.za](http://www.m2north.co.za) or 011 856 2000) for assistance with the registration process.
