

DE BEERS
A DIAMOND IS FOREVER

27th May, 2003

The Manager

Due to the success of the trial period with IRJ Software, De Beers Supply Chain Centres Johannesburg and Cape Town will be implementing a further electronic ordering system called M2North.

As it is a managed process, M2North monitors the transactions to ensure that each party receives and responds, i.e. if an order is sent to you and you do not respond (i.e. confirm/reject) within a designated time frame, the M2North system will raise an exception back to the De Beers Supply Chain Centres indicating that the order has not been responded to. Additionally M2North will send daily/weekly order status reports ensuring that all orders are monitored.

For order placing/receiving there is a once off joining fee of *R1.000 (e-mail solution) and a monthly fee of *R200. Please note that if you have already subscribed (If you have a Johannesburg Head Office, they may already have registered) to the M2North system the joining fee is not applicable.

Additionally once the order transacting side has been bedded down, electronic invoicing will be implemented at an additional cost.

All suppliers need to register with IRJ Software.

Please complete the attached application form and fax it to the M2North team at (011) 450-1602.

If you have any queries please contact either James Fairbrother or Sergio Ferrando at IRJ Software on (011) 450-1802 or Sheila Buchanan, De Beers Supply Chain Centre, Cape Town on (021)380-8204.

Yours faithfully

Tony Bond
